### **Practice Guidelines and Policies**

***Please Initial next to EACH line acknowledging your agreement to and acceptance of the following additional terms of this Agreement.***

\_\_\_\_\_ **Insurance, copayments, deductibles and coinsurance:** Elite Medicine and Aesthetic Institute will contact your insurance company in order to obtain verification and benefits. In the event that the benefits information given to Elite Medicine and Aesthetic Institute are different than what your insurance company actually pays, you will be responsible for the additional fees required by your insurance company. This may include all copayments, deductibles, coinsurances, or non-covered services. All payments are due at time of your visit. It is your responsibility as the patient to understand your insurance plan benefits.

\_\_\_\_\_ **Prescriptions:** To allow us to serve all our patients efficiently, Elite Medicine and Aesthetic Institute expects you to be responsible to make sure you have enough medication to last you to the next visit. If you run out of a prescribed medication or forgot to ask for a refill, an office visit may be required. If this is not possible, the doctor may authorize a refill on your prescription for a one time courtesy. All current prescriptions require an office visit within 6 months and all new prescriptions require an office visit. All controlled substance prescriptions require an office visit every time and will be at the discretion of the Physician.

\_\_\_\_\_ **Labs and Diagnostic Tests:** There is a **\$20.00** charge for the convenience of collecting your specimens and supplies in the office (blood draw). You may request at any time to go to the lab for your blood work (i.e., Quest and LabCorp). Most insurances cover outside lab collection at no additional charge. All abnormal labs and diagnostic tests require a follow up visit with the provider to go over the results and insure continuity of care. No results will be given over the telephone unless directed by the physician. It is your responsibility to make a follow up appointment to review the results with your physician.

\_\_\_\_\_ **Consent to Treat:** I understand that the physical examination during my visit with Dr. Fawn Winkelman at Elite Medicine and Aesthetic Institute may include a medically appropriate examination of my pelvic area should one be necessary, and I consent to such examination. I also understand that her staff will be present during this examination to assist at all times.

\_\_\_\_\_ **Emergencies:** Elite Medicine and Aesthetic Institute will make every effort to receive your calls and respond promptly in an emergency. If you do not receive an immediate response you should call 911 for paramedic intervention, or seek the nearest emergency room.

\_\_\_\_\_ **Virtual Visits:** Elite Medicine and Aesthetic Institute conducts optional virtual visits (i.e., electronic communication of medical information) using telephone and/or video conferencing with our HIPAA Compliant Program Solution Reach, electronic transmission of imaging/labs, and remote monitoring of vital signs as part of patient care. All virtual visits may be subject to fees and are billed in accordance with insurance guidelines.

\_\_\_\_\_ **Appointments:** Elite Medicine and Aesthetic Institute will be respectful of your time and we ask you would be respectful of ours. Please arrive 20 minutes prior to your appointment to register. Minors must be accompanied by a parent or guardian to be seen unless special arrangements have been made with the office. All appointments are confirmed as a courtesy via patient provided phone call, text message, and/or email message. It is your responsibility to keep record of your appointments.

\_\_\_\_\_ **Cancellations:** Elite Medicine and Aesthetic Institute will make every effort to accommodate patients. We understand that appointments sometimes need to be changed so we ask that you call at least **24-hours** in advance if you cannot keep your scheduled appointment to avoid a “no show” fee. A fee of **\$50.00** will be charged for non-cancelled or missed appointments which must be paid prior to your next appointment. For patients who are delayed and arrive late, every effort will be made to see them same day. However, if you are more than 15 minutes late, you will need to be rescheduled. A pattern of non-cancelled, missed, and/or late appointments may result in discharge from the practice.

\_\_\_\_\_ **Forms Fees:** Elite Medicine and Aesthetic Institute charges for additional paperwork outside of the completion of the medical record. The following fees start at **\$20.00** and are subject to change without notice to forms including but not limited to: immunization documents, biometric or wellness forms, and school/sports physical forms.

\_\_\_\_\_ **Medical Records:** The medical chart is the property of the practice. However, copies of your pertinent medical information are available upon request. The practice charges a fee for a copy of the records of \$1.00 per page up to \$25.00, then 0.25 cents per page after the first 25 pages.

\_\_\_\_\_ **Accident & Worker’s Compensation:** Elite Medicine and Aesthetic Institute does not treat accident or worker’s compensation patients at this time.

\_\_\_\_\_ **Statement Policy:** Elite Medicine and Aesthetic Institute sends patient statements each month. Payments are due upon receipt of the statement. If we participate with your insurance company, the sending of a statement may be delayed until your insurance responds to the claim for services. These delays can take months. A delay does not alter our policy of patient financial responsibility, and you will be liable for all service fees. A late fee may be charged for balances that are more than 90 days old.

\_\_\_\_\_ **Collection and Bank fees:** Accounts more than 90 days old are subject to transfer to an outside collection agency. These agencies charge fees. You will be liable for all such collection expenses, legal fees, and court costs. In addition, banks charge for checks that do not clear or cannot be cashed and you will be held accountable for all such fees with a minimum charge of **\$35.00**.

\_\_\_\_\_ **Patient Discharge:** The practice reserves the right to release a patient for any reason. This may occur for failure to meet your obligations under this document or failure to comply with the treatment plan(s) as outlined by your practitioner.
